MS Department of Banking - Mortgage email: mortgage@dbcf.ms.gov

All companies, loan originators and branches holding an Approved license in Mississippi as of October 31, 2013 must submit a renewal request through the Nationwide Mortgage Licensing System (NMLS) between November 1st and December 31st in order to be licensed in 2014. The purpose of this letter is to provide your company with important information concerning the NMLS Renewal Process. **On all documentation mailed/ faxed/ emailed to DBCF, you must include the NMLS Entity ID number. Failure to provide this number could cause a major delay in the processing of any request or have the information mailed back to the licensee.**

Records must be up to date at time of renewal. **IMPORTANT:** Ensure that all email addresses of account administrators and loan originators (must be individual email not a company wide email for all loan originators) are current. Email is the source used for the NMLS and MS to contact you if there is a problem with your license. Amendments to your license information **cannot** be made with the license renewal request. If your licensing records on NMLS are inaccurate or outdated, all amendments to company, branch and individual filings **must be made prior** to undertaking your online renewal process on NMLS. We strongly recommend submitting any necessary updates **immediately** to allow sufficient time for the review of changes prior to renewal. In addition, you may wish to review your status and confirm that you have no outstanding license items / deficiencies that need to be cleared. **Waiting until November or December to submit amendments and/or clear outstanding license items will delay the review and approval of your renewal request.** The attestation process must be completed before submitting renewal requests. The attestation is the legal certification that all information in NMLS records is complete and accurate.

Only licenses in an “Approved” status may be requested for renewal. If one or more of your company’s licenses (including branch and loan originator licenses) are not in an Approved status, it will not be eligible for renewal. If your license status reflects any other status than “Approved” (such as Approved-Deficient, Approved – Conditional, Approved – Inactive), please be advised that there are deficiencies on your account that **MUST** be cleared or amendments that **MUST** be made through NMLS **prior** to making your renewal request. If you request renewal for an item that is in a status other than “Approved” the renewal will be held until the corrections are made. **PLEASE NOTE THAT ONCE THE RENEWAL REQUEST IS RECEIVED, ALL DOCUMENTATION – INCLUDING INFORMATION TO CORRECT DEFICIENCIES – MUST BE RECEIVED WITHIN THIRTY (30) CALENDAR DAYS MAXIMUM. NO EXTENSIONS WILL BE GIVEN FOR ANY REASON PAST THE 30 DAY MAXIMUM! THE RENEWAL WILL BE DENIED AND THE INDIVIDUAL OR COMPANY MUST REAPPLY WITH AN INTIAL LICENSE REQUEST IN ORDER TO BE LICENSED IN MISSISSIPPI.**

NMLS Renewal Process

Renewal Requirements

In order to be eligible for renewal, you must continue to meet all licensing requirements of the Mississippi S.A.F.E. Mortgage Act. If your company continues to meet these requirements, your attestation to this fact and submission of a renewal request through NMLS, along with the required documents listed on the Renewal checklist (see the information below), together with payment of the required statutory license renewal fees and NMLS transaction fees (see fee information below) will be required to complete the renewal process.

Attestation

Companies and individuals may log on to the NMLS website and complete the attestation process and request renewal beginning November 1st. Attestation is a company’s legal certification that: (i) company and branch NMLS records are up to date, (ii) renewal requirements have been satisfied, and (iii) the company meets all license renewal eligibility requirements.

Companies will be required to complete an attestation pertaining to company and branch renewal requests selected for submission each time the Company Renewals Cart is submitted.

IMPORTANT NOTE: All licensed individuals **MUST** log into their NMLS account and attest to **their** personal license information and compliance with renewal requirements for each regulator **before** a renewal request can be submitted for a license held with the regulator. **Companies cannot attest to an individual’s mortgage loan originator license.** Once attestation is complete, either the individual mortgage loan originator or the sponsoring company can submit a renewal request for the license.

Renewal Submissions

Renewal requests can be submitted starting November 1, 2013, and should be submitted no later than December 31, 2013. If you have a license you do not intend to renew, you should notify the regulator by selecting the "do not renew" option. **NMLS will not accept renewal submissions after midnight (12:00 AM) EST on December 31, 2013.** Please note the time zone difference of your location.

Fees

Cost of renewal: **For the company renewal** (Broker or Lender), remittance of a One Thousand Dollar (\$1,000.00) renewal fee will be collected through the NMLS system. The **renewal fee per loan originator** is a One Hundred Dollar (\$100.00) fee. The **renewal fee for each branch** is a One Hundred Dollar (\$100.00) renewal fee. If the renewal request is not made in NMLS **and** the applicable documents are not received by DBCF, on or before December 31, 2013, then the cost of the company renewal will increase to the initial cost of the license, \$1,500.00, not \$1,000.00, along with a penalty of \$25.00 per day until the renewal request is made in the NMLS system **and** the applicable documents are received by DBCF. This will include weekend days and the day received. Postmarks will not be considered. Also, the company must cease operating in Mississippi until the renewal request is approved in the NMLS system after December 31, 2013. If the loan originator renewal request in NMLS and the applicable documents are not received by DBCF on or before December 31, 2013, then the cost of the renewal will increase from \$100.00 to \$200.00. If the branch renewal request in NMLS and the applicable documents are not received by DBCF on or before December 31, 2013, then the cost of the renewal will increase from \$100.00 to \$300.00.

In addition to the above stated renewal fees for Mississippi, NMLS charges processing fees of \$100 per company license, \$20 per branch license, and \$30 per loan originator license. These fees must be paid electronically through NMLS upon submission of the license renewal request. The processing fees pay for NMLS operations, including system access 362 days per year, financial statement functionality, reports, the ability to maintain and renew licenses, and call center support. **Please note that all renewal fees are not refundable – even in the event of an error on the licensee's part!** In addition to the renewal fee, a \$1.00 payment processing charge is charged by Mississippi on each paid renewal.

Documents to be provided to DBCF:

As stated above, additional information must be provided to DBCF outside of the NMLS process within five (5) business days of the NMLS renewal request filing. On all documentation mailed to DBCF, please include the NMLS Entity ID number. Failure to provide this number will cause a major delay in the processing of your renewal request.

These include the following for each type of Licensee:

Mortgage Broker and Mortgage Lender License:

- **Surety Bond Coverage:** Please see attached Appendix A
The ORIGINAL Continuation certificate or ORIGINAL new surety bond showing continuation of coverage until December 31, 2014. The information on the surety bond form (Mortgage Broker's or Lender's name, address, etc) must match exactly to the information in the NMLS system. The insurance company must be licensed to do business in Mississippi. Also, enclose the Power of Attorney. If needed, a copy of the surety bond form may be downloaded from the Department's website www.dbcf.ms.gov. This information is to be mailed to DBCF within five (5) days of the renewal request being made in NMLS. **On all documentation mailed to DBCF, please include the NMLS Entity ID number.** Failure to provide this number will cause a major delay in the processing of your renewal request.
- **New Requirement:** At least one loan originator licensed at a licensed company location with DBCF must also submit his/her Renewal Request of his/her Loan Originator's License (MU4) and have completed all SAFE requirements. This does not have to be the Qualified Individual as required in previous years. This is a requirement for the company's renewal to be approved.
- **New Requirement:** All Executive Officers of the Licensee as stated on NMLS MU2 documents must submit a hard copy fingerprint card to DBCF for the state and federal background check. According to MS Statute, the definition of an Executive officer "means the chief executive officer, the president, the principal financial officer, the principal operating officer, each vice president with responsibility involving policy-making functions for a significant aspect of a person's business, the secretary, the treasurer, or any other person performing similar managerial or supervisory functions with respect to any organization whether incorporated or unincorporated." DBCF may mail a fingerprint card to you after a request has been submitted at mortgage@dbcf.ms.gov **OR** you may use a fingerprint card provided by your local law enforcement agency. Please note that if you use this option, it **MUST** be the "blue ink" card submitted.
- **New Requirement:** All Executive Officers of the Licensee as stated on NMLS MU2 documents must submit a credit check request through NMLS.

Mortgage Branch License:

- No additional information is needed to be mailed to DBCF for this type license.

Loan Originator License:

- Please see **Appendix B Loan Originator Education Requirements** at the bottom of this memorandum to determine the education requirements for renewal of the loan originator. Any questions concerning education must be emailed to mortgage@dbcf.ms.gov along with the NMLS ID# of the Loan Originator.
- If a Loan Originator License was approved prior to November 1, 2013, then that license must be renewed for calendar / licensing year 2014. Mortgage Licenses approved on or after November 1, 2013 are not required to renew until the 2015 renewal process, which will begin in November, 2014.
- Loan Originator License renewal requests will **NOT** be approved until the company and any applicable branch license renewal requests are approved.
